CRITICAL ACCLAIM FOR PANDORA ZWIEBACK, Book 1: BLOOD FEUD:

“Far and away one of the best young adult supernatural fantasy novels released in the last few years.... Pan is exactly the kind of teen heroine that readers should be standing up and cheering for.”—**HorrorNews.net**

“A young adult book that does the all-important job of translating well to an adult audience.... Definitely recommended for the target audience (and us readers who are that little bit older).”—**Taliesin Meets the Vampires**

“One of those fabulous books that manages to straddle the young adult/adult fiction divide, catering equally for teens and more, ahem, ‘mature’ readers alike with a light touch that makes it a joy to read.”—**BCF Book Reviews**
